Be sure to look at the brochure showing pictures of the above plants in bloom. Here’s a link to the color brochure describing these bulbs including their height, how far apart to space them when planting, their bloom time, their hardiness and suitable growing zones: [color brochure](#)

Bulbs are shipped at the appropriate planting time (in this case, late April to early May). All purchases are 100% guaranteed by Growing Green. If not satisfied, you simply let them now and you’ll receive a full refund, replacement, or merchandise credit according to your preference.

Delivery is free to the Greeneville Farmers Market – you won’t be charged for any handling or shipping fees.

Fill out the online form, and pay online with pay-pal or mail order form along with a check made out to the Greeneville Farmers Market to : Greeneville Farmers Market P.O. Box 91, Greeneville, Tn. 37744
